

**PRODUCT DESCRIPTION:**

ROVAL TILE & STONE CLEANER is a concentrated, neutral pH cleaner, designed for regular use as a maintenance cleaner for floors. TILE & STONE CLEANER is formulated with a special blend of mild but powerful detergents, surface active surfactants and wetting agents that combine to help loosen, lift and dissolve dirt and grease on contact. TILE & STONE CLEANER dries clear and bright without leaving streaks or hazy residues on the surface and may not require rinsing when used as part of a regular maintenance program. Regular use of TILE & STONE CLEANER helps reduce the build up of soap scum and hard water deposits, and it's pleasant spearmint scent helps alleviate odors caused by pets, cooking and smoking.

**RECOMMENDED FOR USE ON:**

All types of hard surfaces including ceramic tile, synthetic and no-wax flooring, Mexican Saltillo tile, brick, masonry, marble and other natural stone surfaces. Use it on walls, sinks and countertops. Although TILE & STONE CLEANER is designed not to harm most water safe surfaces, it is always recommended to test this product on the in-tended surface before approving for use.

**SURFACE PREPARATION:**

Sweep, dust mop or vacuum to remove any loose debris, dirt and dust.

**DIRECTIONS FOR USE:**

**FOR REGULAR FLOOR MAINTENANCE:** Dilute 2 to 4 ounces of TILE & STONE CLEANER into 1 gallon of clean water. Use a clean mop to spread the solution liberally over the floor area. Damp mop away any puddles and allow area to dry. The cleaner will dry bright on floors and surfaces that are maintained on a daily basis.

**FOR STUBBORN and HEAVY SOILING:** Dilute 7 to 10 ounces of TILE & STONE CLEANER into 1 gallon of clean water. Spread the solution liberally onto the area and allow it to stand for a few minutes. Remove any ground in dirt with a stiff nylon bristle brush or a scrubbing pad. Follow by rinsing the area with a solution of 2 ounces of TILE & STONE CLEANER to 1 gallon of clean water. Repeat steps if necessary.

**FOR OTHER USES:** For use as an all-purpose cleaner for countertops, bathrooms and kitchens, dilute 4 to 6 ounces of TILE & STONE CLEANER into 1 gallon of clean water. Spray on and wipe off the surface. For heavily soiled areas, such as animal living quarters, dilute 8 to 10 ounces of TILE & STONE CLEANER into 1 gallon of clean water. Apply solution liberally and allow to stand for several minutes. Scrub area using a stiff bristle brush and rinse with clean water.

**SPECIAL NOTES:**

1. Keep away from children.
2. Keep this product from freezing.

**SPECIAL PRECAUTIONS:****IN CASE OF INHALATION:**

Vapors and mist may irritate nose and throat. Remove victim to fresh air. If symptoms persist or become evident, seek medical assistance.

**IN CASE OF SKIN CONTACT:**

No known harmful effects. Remove contaminated clothing and wash skin with soap and water. Launder contaminated clothing before reuse. If irritation becomes evident, seek medical assistance.

**IN CASE OF EYE CONTACT:**

Vapors, mist and liquid are irritating to the eyes. May cause tearing, redness or blurring. Immediately flush eyes with large amounts of water for fifteen minutes while holding eyelids apart. Seek medical attention.

**IN CASE OF INGESTION:**

No harmful effects expected in commercial use. Ingestion of TILE & STONE CLEANER in small amounts poses no health risks. Ingestion in large amounts poses minimal health risks. If swallowed, thoroughly wash mouth with water and have victim drink 2 glasses of water for dilution. If person is conscious, induce vomiting. Seek medical attention.
